

26<sup>th</sup> April 2018

- Greetings in the Name of the Lord Jesus.
- This is to say that we **greatly** appreciate your support for our work in Rwanda. Thank you so much.
- Our Open Garden with Coffee Morning in Ashburnham Village is on June 5<sup>th</sup>. Our lunch at the Brickwall Hotel is on 22<sup>nd</sup> September
- I will fly to Israel on June 16<sup>th</sup> to join all the ten Bishops of Rwanda and their wives at the GAFCON conference in Jerusalem.
- I fly to Kigali on July 17<sup>th</sup> to open a newly built, large church, at Bweyeye in Cyangugu Diocese. (Making sure it meets all the government requirements for 'health and safety!)
- The Lord enabled Jill to travel, on 20<sup>th</sup> April, the 9 hours to our daughter Jane's home in North Devon, where we went for Sue from Canada and Michael from New Zealand to meet together. With Jill's problems it was a complete miracle that she managed it!
- In my 18<sup>th</sup> year of retirement there is still plenty to do!
- We need £32,000 to complete the **last two** of the 16 houses for pastors in the Cyangugu parishes where they were renting a house at huge cost.
- Two of the 18 parish churches which were closed, have managed to fulfil the government conditions and are open again. 14 were not closed.
- We have paid the final bill for Pastor Innocent Habyarimana and the final bill for student Uwimana Paul, and also the first year's fees for Pastor Alphonse Nkurikiyumukiza (*whose name means 'I am following the Saviour*), both from Cyangugu Cathedral, doing their three year degrees at the Bishop Barham University College, Kabale (£800 a year)

Love and Blessings
