**Safeguarding Audit:** As you may be aware INEQE Safeguarding Group have been commissioned to conduct Independent Safeguarding Audits of the Church of England to make sure dioceses and cathedrals are doing all they can to create environments where everyone feels safe, valued and respected. As part of the audit process for Canterbury, INEQE hope to engage with parishioners and members of the parish community through an online survey which will act as a mechanism through which individuals can comment on any matters relevant to the Audit's focus. The survey is both anonymous (we are not seeking to identify you) and confidential (you will not be identified). We would therefore ask you to be open and honest with your responses. The survey results are received directly by INEQE's Audit Team and not by the Church of England. The survey is now live and will close at 11.30 pm on Wednesday 2nd of September 2026. To access the survey relevant to you please visit:

## **Church Finances**

The church relies solely on donations and occasional fees in order to keep going and we are very grateful to all those who make donations to each of the churches in our benefice. While many in our congregations give by Standing Order, we know that some like to make cash donations via the collection bag during a service. We understand that the current economic situation has caused all kinds of difficulties for many people and we do not want to put pressure on anyone who has concerns over their finances. However, if you would like to and are in a position to make a donation, whether regular or as a one-off, 4 of our parishes now have an online donation facility, you can click on any link below:-

## **Community**

### **SCAM ALERTS**

- 1) There have been reports of scam emails from individuals impersonating The Revd Bishop Rose.**

If you receive an email claiming to be from Bishop Rose that is sent from a Gmail account or any non-diocesan email address, do not respond. Mark it as spam and report it to Google.

Guidance on identifying scam messages is available from the National Cyber Security Centre

## **2) A police scam has been targeting residents this week all across Kent.**

Residents are receiving phone calls falsely claiming their bank account has been compromised, their card needs replacing, a family member has been arrested, they must buy gold or a courier will come to collect their card, cash or gold.

These are scams. The police will never ask for your financial details over the phone or send someone to collect your card, cash, or valuables.

If this happens to you, call your bank immediately using 159 or report to Kent Police.
