Notices

Ukraine - *A message from Brian Grove, who attends Holy Trinity, Dover Street: "A church group from Hampshire has asked me to drive with them on their upcoming trip taking aid to churches in Ukraine. They go to a church in south-east Poland where various Ukrainian clergy take aid onwards. However, they've asked me to drive one car loaded with aid, to Korosten, near the Belarussian border, not far from Kyiv. While it never makes the news, it is an area frequently bombed as it is a main railway centre. Earlier this year I drove there and stayed a week, visiting churches and going with the clergyman visiting the sick, delivering food to the poorest, etc. Sadly we also visited housing which had been bombed, with families still living in what's left of their homes. Some of the areas he covers are very poor, yet they welcome refugees fleeing the war further east and feed many including a lot of children orphaned by the war. After church services there is a meal, which seems to be open house to everyone in the area.I would love to take letters from churches here giving greetings and encouragement to our brothers and sisters there. We leave Friday 20th November." If you would like to send a message of support, please forward it initially to Alan Pinnegar*

Church Finances

The church relies solely on donations and occasional fees in order to keep going and we are very grateful to all those who make donations to each of the churches in our benefice. While many in our congregations give by Standing Order, we know that some like to make cash donations via the collection bag during a service. We understand that the current economic situation has caused all kinds of difficulties for many people and we do not want to put pressure on anyone who has concerns over their finances. However, if you would like to and are in a position to make a donation, whether regular or as a one-off, 4 of our parishes now have an online donation facility, you can click on any link below:-

SCAM ALERTS

There are all kinds of scams going round: callers impersonating banks or the Police; online contractors offering services and putting pressure on householders to pay extra costs upfront; a certificate renewal scam for work carried out more than 10 years ago.

Before you agree to any home improvement work:

✅ check independent reviews from more than one source
✅ get a written quote before work starts
✅ be cautious if costs increase unexpectedly
✅ never feel pressured to pay more than originally agreed

Don't agree to appointments during an unexpected call

• Verify any claims by contacting the original installer directly using a trusted phone number
• Be wary of traders who only provide a mobile number or are difficult to contact
• Never feel pressured into allowing someone into your home

Report to Kent Police and receive advice from the Citizens Advice consumer helpline on 0808 223 1133.
